President's Pen

Welcome back! I can hardly believe it is almost September! Hope you all had a fantastic and productive summer. I am so anxious to hear all about your painting activities over the summer. What have you been painting?

Did you go to National or HOOT? Please bring your projects to the next meeting. Turn any hints you picked up in to Paula for the newsletter. If you saw an artist you would like to study with, tell Mary Jane! This is your club and we want to be as responsive to your desires as possible. How are your projects for the Tea and Auction coming along?

I got to take a class with Lynne Andrews at HOOT and I know you are all going to enjoy her seminar so

much next month. She is a relaxed, fun teacher.

One tip I picked up at that class is that you will need a black Micron pen to do your lettering. In the past she has used the Rapidograph, but it is expensive and the Micron will do just as well. Of course, if you have the Rapidograph and know how to use it that will be just fine. I hope to have my project from that class finished to show you at the meeting.

If you know someone from another chapter or a painter who does not belong to a chapter, please invite her to the seminar and to the meeting on October 1.

Looking forward to seeing everyone next week! Keep painting!

Judi

HOLIDAY HARVEST UPDATE...

Summer is nearly over and I didn't get much done, how about you? If you have the greeting card boxes or are doing some CD's, please have those ready to turn in no later than the October 1st meeting.

If you have anything done for your auction items, please bring them or pictures to share at the August 23rd meeting at the Firehouse.

Also if you have not done your three ornaments yet, we have discussed having the option to do pins or ornaments. If you have them done by October 1, we would like them turned in as well so we can price some ahead.

More information about this year's Holiday Harvest will be in the September newsletter. See you the 23rd.

CIDA dues and SDP dues are due by December 1. SDP charges an extra \$5.00 late fee if theirs is sent in after December 5.

OCTOBER 1ST PAINT-IN

For the October 1st paint in. The supplies needed are Puff paint (Jones

Tones), shirt board. 1/8" filbert, 10/0 liner, black fine sharpie or white gel pen or silver sharpie and freezer paper. Shirt of one's choice.

Preparation is to wash and dry the shirt

without fabric softener. Iron the

freezer paper to the backside of the area to which you will due the pattern.

If you do not have freezer paper, a sheet of palette paper will work.

I would like to know how many are planning on attending as I would like to have enough patterns copied for everyone attending as well as the crystals. I will have the glitter, and crystals for the project at a nominal cost.
